26/13	Declarations of Members' Interests There were no declarations of interest pertaining to agenda items.	
26/14	Reports from Borough and County Councillors Cllr Barker reported that the injunction was in place on Wanborough Fields and that there was now a complete stop on any further development or applications until March 2027. She reminded members that it was important to be on top of the enforcement and advise GBC if there were issues. She said that she was still waiting for GBC to share the legal advice regarding Guildford Business Park.	
26/15	Minutes The minutes of the meeting held on 28 th January were approved as a correct record of the meeting.	
26/16	Matters Arising There were no matters arising that weren't covered on the agenda.	
26/17	Highways and public rights of way Following the last meeting Cllr Furniss had advised that the Concealed Entrance signage discussed was not approved Highways signage, as was also the case with mirrors. Residents were advised that these could be placed on private land with the landowners' permission. There had been more flooding along East Flexford Lane, but this was the responsibility of residents to maintain. It was believed that when the Hogs Back had been shut for resurfacing work, a contractor's lorry had crashed into the bus stop, demolished it	

and then removed the debris. The Clerk would follow up with Cllr Furniss to investigate.
